PRESENT

SRINIVAS RAMANUJAN- THE MATHEMATICIAN & HIS TIMES

A Film paying tribute to the Mathematical Wizard who astonished the world.

17th October 2016 , Namibia Scientific Society, 7 pm

[Replying to G. H. Hardy's suggestion that the number of a taxicab (1729) was a dull number:]
No, it is a very interesting number, it is the smallest number expressible as a sum of two cubes in two different ways.

(Srinivasa Ramanujan)

Henna/Mehendi Workshop

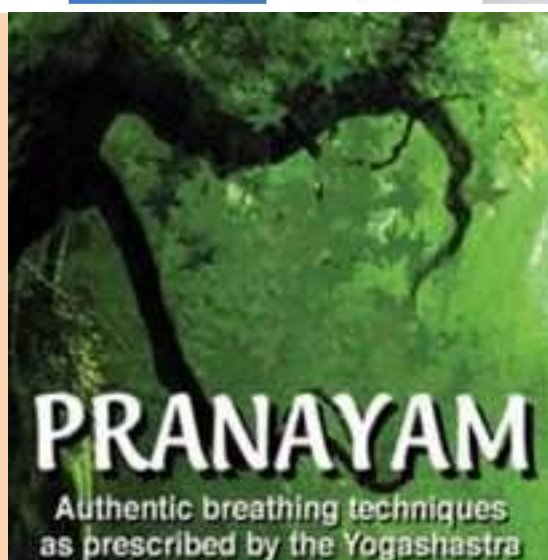

The Centuries Old art of Henna Tattoo Art is growing in popularity across the globe owing to this non-invasive, herb based harmless process. The Tattoo is basically a skin dye and slowly fades away by itself, thus NOT leaving you with a permanent tattoo which is difficult to get rid of.

20 October 2016, 5-6 pm

Culture Centre, High commission of India, Windhoek

Learn to Henna!

Registration Compulsory. Contact Mr. Wankhade at 0813018702
